June 1, 2023

Dr. Vipul Vekariya
Faculty of Engineering and Technology, Parul Institute of Engineering and Technology
Parul University
India

Dear Dr. Vipul Vekariya

It is our pleasure to inform you that PIERS 2023 in Prague has accepted the following article(s) to be presented in the conference:

- 230130215939: MXene-GST-Graphene-Si Compositated Tunable Surface Plasmon Resonance-based Refractive Index Sensor Operated at Infrared Optical Wavelength
- 230217054739: High Accurate Cast Shadow Detection of Moving Vehicles in Low Illumination Environment

I am writing to cordially invite you to participate in the coming Progress in Electromagnetics Research Symposium (PIERS) to be held on July 3–6, 2023 in Prague, Czech Republic. Each participant should complete the registration process for the symposium and pay non-refundable registration fee. There is no financial subsistence provided for our invitees and all expenses incurred during the trip will be borne by our invitees and/or their organizations.

For detailed information on the symposium, program updates, registration fee, etc., please visit the symposium website at <https://prague2023.piers.org/>

We very much look forward to your participation at PIERS 2023 in Prague.

On behalf of the Organizing Committee,

Sincerely,

Jan Vrba
